# Saffron

## Sargol

The most frequent type  
Best in terms of coloring  
Most sold

## Negin

Unlike Sargol, Negin is straight and unbroken  
Better shape and stronger aroma  
The thick ones are called "Super Negin"

## Pooshal

Longer than Sargol and Negin, because they  
are picked from the bottom of the flower.  
Stronger color and cheaper

## Narmeh

Broken or ground saffron  
Hard to identify fake from genuine

## White

Root of the saffron  
Full of vitamins  
Good for cooking and drinks
